GOVERNANCE OF BUSINESS IN PUBLIC SECTORS

2018 BUSINESS AND SUSTAINABILITY FORUM

The Governance of Business in Public Sectors Forum aims to explore how compliance and accountability are essential in public-private projects. The strive towards transparency ultimately contributes to a healthier and stronger economy for Western Australia. This forum focuses on raising awareness of four out of 17 of United Nation's Sustainable Development Goals (SDG) among business leaders in Western Australia.

SPEAKERS

Michelle Andrews, Deputy Director General – Policy and Reform, Department of the Premier & Cabinet

Andrea Selvey, CEO of Shire of Dowerin

Shayne Silcox, CEO of City of Melville
