**This work was carried out with the support of
the Ministry of Economy, Planning and Regional Development (MINEPRD).**

PRESENTATION OF JADD

JADD is a non for profit civil society organization, created in 2015 and made up mostly of young volunteers whose ages varies between 18 and 35 years old. It is recognized at the national level and it is located in yaounde, in the premises of the council of the district of Yaounde 6. And lead activities in others councils in Cameroon. JADD works on issues related to sustainable development (awareness and the popularization of SDG'S in a youth milieu), organises educational discussions with young girls, on issues of sexuality, questions related to the rights and the duties of women and girls in society. It often assist children in distress in orphanages , refugee centers, through food and clothing donations. This Association has carried out awareness- raising project in the fight against HIV/AIDS, the fight against violence against women and in the the frame work of tolerance and the promotion of peace. She has created and installed SD'S Clubs (Sustainable Development) in few schools in Yaounde 6. JADD also leads activities related to fishing and farming.

VISION

In the next 14 years, disadvantaged and marginalized population increasingly access the tools of coexistence, structural, logistical, communicative and organizational facilities for their better socio-economic and cultural integration ; to be sustainable and equitable in their environment.

GLOBAL OBJECTIVE

develop a global partnership of specific actions for the socio- economic and cultural development, sustainable and equitable of disadvantaged populations and marginalised in a healthy, fair and prosperous environment .

MISSION

to achieve its objectives, JADD'S mission is to develop strategies through gender –sensitive actions that can improve the living standard of disadvantaged and marginalized populations ; More specifically, to ensure development in their area of intervention.
